1 / 1 point

CSS

HTML, CSS, and JavaScript

HTML & CSS

HTML

JavaScript

✓ Correct

14. Which of the following is a benefit of using the Bootstrap CDN?

1 / 1 point

You always are linked to the latest Bootstrap code.

You are able to customize the Bootstrap values which you can not do with a local version of the code.

Using the CDN is the only way to use Bootstrap for free.

✓ Correct

15. True or False, with Bootstrap you need to change your HTML code to utilize the Bootstrap classes.

1 / 1 point

True

False

✓ Correct

16. This may seem like an odd question, but I am going to ask you what the URL is for the Bootstrap 3 website. I am doing **1 / 1 point** this to help you avoid the heartache of downloading an old version.

<http://www.getbootstrap.com>

✓ Correct

17. If you are using an editor (not CodePen) you will need to reference Bootstrap resources where?

1 / 1 point

In the body with a link to jQuery and JavaScript

In the body section - with a link to the css and js files

In the head element - with a link to the css and js files

In the head element - with a link to the css - and again at the bottom of the body with a link to jQuery and JavaScript

✓ Correct
